ACU Guarantee Program

Open to domestic and international students
Requirements: Year 12 pass and no ATAR required; no English prerequisite, however additional prerequisites such as a maths, biology etc. require the published study scores.

Guarantee your place at ACU, even before your Year 12 exams. The ACU Guarantee program offers eligible Year 12 students a place at ACU based on your Year 11 results.

Students can make an application through this program, have their Year 11 results considered, and ACU will produce a predicted selection rank and make a conditional early offer before final exams have been sat.

Applications for 2023 open on 18 July and close 23 September 2022. Students are required to apply through the ACU Guarantee application portal on the ACU website and can choose to apply for up to 2 courses. Year 12 Early Guaranteed Offer Scheme

Open to domestic and international students
Requirements: Year 12 pass, meet VCE prerequisites, and no ATAR required

Bond University's Year 12 Early Guaranteed Offer Scheme recognises the challenges students have faced over the past few years of senior schooling. Eligible students can receive an offer to study at Bond in 2023 before final ATAR results are released, providing certainty about your future study options.

How it works

1. Students complete Bond's direct online application, submitting results from Year 11, and Semester 1 of Year 12.

2. Bond University will assess the application and school grades against the minimum entry requirements for Bond's undergraduate* and diploma programs (*excludes medical program).
3. Students who meet the entry requirements will receive an offer that guarantees entry to Bond conditional only on the completion of Year 12 and meeting any subject pre-requisite requirements for the specific program.
4. Once students successfully complete their Year 12 and pass any required prerequisite subjects, the offer will become unconditional.

*Students who apply to study at Bond **after** the release of ATARs in December will be offered based on their final ATAR score.* **Find out more at Studying at Bond.**

Deakin Regional Access Scheme

Open to domestic and PR students only
Requirements: Year 12 pass, meet VCE prerequisites, and a minimum ATAR of 50.00

Deakin University has recently announced the Deakin Regional Access Scheme, a pathway to undergraduate study. It allows students to secure a spot at university long before ATARs are released by looking at their skills, experience and achievements.

The scheme is open to current and recent Year 12 students (2022, 2021 and 2020 cohorts) looking to study at the *Waterfront, Waurn Ponds* or *Warrnambool* campuses – but students do not have to live in a regional area to be eligible.

It's perfect for students who want to achieve their best, free from the expectations of exams.

The Deakin Regional Access Scheme allows the university to look beyond a student's ATAR to recognise all the skills, experience and achievements that make them unique.

If their application is successful, they will receive an early offer to Deakin (as soon as late August).
Students will need to apply directly to Deakin – telling how their skills and experience will set them up for success at Uni. They will also need to preference the scheme via VTAC.
Courses participating in the Deakin Regional Access Scheme will have a unique VTAC code for those applying for the scheme.

Applications open early August 2022 and to find out more and to apply, visit Deakin Regional Access Scheme.
