INSPIRATION

Year 11 Founding Sisters of Mercy Scholarships

The Sisters of Mercy have established a wonderful and rich legacy in the Sunraysia community. These scholarships both reward and preserve educational excellence and personal integrity at St Joseph's College. Our Catholic heritage and Mercy Core Values remain integral tools that support our vision and mission to educate future students within the Mercy tradition.

St Joseph's College present scholarships annually to Year 10 students who respect and display our **Mercy Core Values: Hospitality, Compassion, Service, Community, Justice, Excellence and Spirituality**. The college will offer up to nine internal scholarships of $1,500 to Year 10 students transitioning into Year 11 at the college. These internal scholarships will recognise students who have shown excellence both in their academic and personal school life.

To demonstrate Hospitality, Compassion, and Service, applicants will have participated in activities, committees, or projects which have a focus on improving the lives of those within and beyond the college.

Being active within the college in support of the core values of Community and Justice can be shown through Homeroom activities and participation in the general college community.

Successful applicants will also be able to demonstrate Excellence in both academic and non-academic endeavours. Students must fully commit to their studies and achieve their personal best. They must respect staff and their fellow students within classes, encouraging and allowing others to pursue their own academic excellence.

Respect for Spirituality is important at St Joseph's College. Students should show their commitment to this core value by displaying a positive attitude as they participate in liturgies, prayerful activities, and Religious Education classwork.

OUR CORE VALUES

In living our Mission and Vision, we are guided by our Core Values.
