# G'Day USA Concept

G'Day USA offers Australian students the opportunity to live with an American family for 10 days where they will encounter some of the many cultural differences between our two countries. Travelling as part of a group promotes the importance of team work, respect for others and a greater understanding of being responsible to, and for, other team members in the group.

G'Day USA fosters greater cultural awareness, teaches tolerance for other people and promotes understanding and openness to new ideas.

G'Day USA is generally the first step for young Australians to become true global citizens, opening their minds to the wonders of the world that can be explored through travel. The rapid growth of self-confidence, self-reliance and self-esteem is immediately evident in our young travellers through experiencing the world.

## Educational Benefits

Students have the opportunity to develop skills that complement a broad range of curricular areas. Science and mathematical skills such as budgeting and converting between currencies, temperatures and time zones will be experienced first-hand. Knowledge of geography and history is further developed as travellers experience different American cities, museums and historical sites throughout their tour. Students will encounter unique language differences and different meanings for the same words between the two English speaking countries.

## Host Family Selection

Our American host families are all volunteers who willingly accept the responsibility of hosting a visitor in their home. EWT generally places one student per family, however, sometimes families may host two or more Australian students. Each traveller is required to write a personal biography complete with a recent photo.

The completed biographies are sent to our Hosting Co-ordinators in America and it is their responsibility to manage the host matching, in conjunction with the American School Coordinator, of the Australian student and the American student and their family. The American student is also required to complete a biography. From the information on both completed biographies the students will be matched, where possible, on the basis of compatibility such as same hobbies, sport, music or interests. The students will also generally be of the same age and same sex where possible. Hosts provide most meals, complete living accommodation and transport to school during hosting. Meals away from the home are at the traveller's expense. One American High school will host the Australian school and all travellers will be staying in the surrounding local area.

The EWT Regional Hosting Co-ordinator is responsible for managing the groups stay at the American school and is available 24/7 during the host period.

\* **EWT endeavours to notify host family details by the second week of December.**

### Host Locations Available:

- **Seattle, Washington** - famous for its beautiful mountain and ski areas and is only 200 kilometres south of the Canadian border.
- **Portland, Oregon** - built along the banks of the magnificent Columbia River and known for its beautiful forest areas.
- **Sacramento, California** - the Capital City of California which is full of gold rush history and close to snow fields.
- **San Diego, Southern California** - known for its warm climate, beautiful beaches and shares a border with Mexico.
- **Phoenix\*\*, Arizona** - home of the Grand Canyon, one of the natural wonders of the world.

\*\* Note, additional US domestic airfare required for Phoenix

## Group Leader Duties

The Group Leader is the focal person for the group and is with the group throughout the entire tour. Group Leaders are required to co-ordinate the details and documents necessary for the tour.

Group Leader responsibilities include:

### Preparation of the group for travel;

- Maintaining regular contact with group members prior to departure. To inform parents and travellers of due dates for payments, paperwork etc.
- Organising regular social functions in the lead up to the tour to enable travellers and their families to meet each other, get to know each other and receive tour updates.
- Being available to students at all times during the tour.
- While overseas, liaising with the Regional Hosting Co-ordinator, EWT staff and American host school co-ordinator.

### Accompanying the group on all tours and school visits.

- Communicating with traveller's parents or guardians if the need arises.

# Itinerary - January School Holidays

## DAY 1

Meet your EWT Representative at the airport for check-in. Depart for the United States, cross the Pacific Ocean and International Date Line and arrive in the United States the same day. Transfer by coach to the hotel in Anaheim (Disneyland area) where EWT staff will greet you, assist with hotel check-in and provide your group with information about the area.

## DAY 2 Knott's Berry Farm

Once a humble orchard and boysenberry farm, Knott's Berry Farm is now the United States' pre-eminent high-speed thrill park. You'll spin, drop, twirl, twist and turn through gravity-defying rides like The Ghost Rider, The Xcelerator and the Silver Bullet. If you find yourself in need of a break from the excitement, you'll be able to explore your way through the Knott's homestead and the Calico Ghost Town. Try to catch some cowboy antics or a saloon stunt show and spend the day spotting Peanuts characters. Snoopy is always keen to pose for a photo!

## DAY 3 San Diego

This morning we travel down the coast to San Diego, "America's Finest City". Enjoy a tour of some of the city's most famous highlights, including Old Town with its rich history amongst the traditional pueblo and Mission-style buildings, before taking an opportunity to pick up some bargains at the Carlsbad Premium Outlets.

## DAY 4 Disneyland

Spend the day at "The Happiest Place on Earth": the Home of Walt Disney, Mickey and Minnie Mouse, and all of your favourite Disney characters! Spend the day in the ultimate land of make-believe, exploring the eight themed "lands" and enjoying classic and contemporary rides such as Space Mountain, Thunder Mountain Railway, Indiana Jones, Splash Mountain and Star Wars. Disneyland is, simply put, the measure by which other amusement parks are measured.

## DAY 5 Universal Studios

Lights! Camera! Action! Start your day with a tour of the back lot and see where and how movies are made, check out the stunt shows, get spooked at the new Walking Dead Attraction or enjoy the Fast and Furious – Supercharged Ride. And of course, explore the brand-new Wizarding World of Harry Potter featuring Hogwarts Castle, the shops at Hogsmeade and two fun rides! You'll have plenty of time to take in the stunt shows, animal actors, and spectacular rides that make Universal Studios an unparalleled experience. Make sure you bring a camera to the studio. It's hard to say who you might see!

## DAYS 6-15 Tour Highlight - Hosting

The highlight of the tour is staying with an American family. By living as part of the family, you will experience the true cultural differences between our respective countries. You will also attend school with your American host as a visitor for one or two days.

Here you will be able to experience what school in America is really like. Your host student may be involved in activities at the school such as football, basketball, and school band or even cheerleading! In addition, there are many other activities to be enjoyed at the school.

Four days of sightseeing in and around your host city and its attractions will be arranged during the week. The coach will pick you up at school in the mornings and return you to the school in the afternoon for you to be able to go home with your American host. All attraction admissions are included for these four days. You will also be able to enjoy quality time over the weekend with your American host family.

## DAY 16 San Francisco

Say goodbye to your host school and family and say hello to the City by the Bay! You'll arrive in scenic San Francisco and have the afternoon to explore the city's famous twisting, hilly streets with your fellow travellers and Group Leaders. For dinner, we suggest visiting Fisherman's Wharf area and Pier 39 with the boisterous barking sea lion colony that have made it their home. From there you'll enjoy great views of the bay with Alcatraz and the Golden Gate Bridge in sight and lots of dining options.

## DAY 17 Pier 39 & Union Square

Today you'll have a full day to get to know San Francisco. Starting, of course, by the Bay, visit the shops and open-air markets you've seen countless times in the movies. Moving from there to the iconic Union Square Plaza by cable car, you'll walk, trolley and stroll your way through Lombard Street, the crookedest street in the world, exclusive boutiques and old-fashioned restaurants before stopping to take in another great Bay area dinner.

## DAY 18 Golden Gate Bridge

You didn't think you could visit California without seeing the Golden Gate Bridge, did you? Of course not! You'll walk across it as part of a city tour through the highlights of San Francisco which may include a drive through Golden Gate Park, up to Twin Peaks for panoramic views of San Francisco, Treasure Island and many other famous San Francisco sites.

Along the way you'll see gorgeous redwood trees, towering skyscrapers and learn more than a little bit of the city's illustrious past. At the end of the day, you'll head to San Francisco International Airport for your return flight to Australia.

## DAY 19

In Transit. Cross the Pacific Ocean and International Date Line.

## DAY 20

Arrive back into Australia after your amazing trip!

## Spending Money

The traveller is responsible for payment of lunch and dinner when staying at hotels. In many cases meals (other than lunch), are provided during hosting. During your hotel stay USD \$200 is adequate to cover the cost of meals and tips.

Group Leaders generally set up a "Travel Fund" which covers optional activities, tipping and meals.
