At Green Apron Catering we focus on providing wholesome, homemade, meals using seasonal ingredients. Almost all our food is made on site from scratch, even down to our delicious tomato sauce. We source our produce from Australian farmers and retailers, our eggs are from a free range Victorian poultry farmer and all our meat is purchased from a Hallal certified butcher. We endeavour to have meat and vegetarian options available, with gluten free options available on request. We will do our best to cater to other dietary requirements. We aim to keep costs as low as possible, enabling you to use our canteen more often, to ease the burden on busy families.

Pre-ordering your lunch in the morning is preferable to avoid disappointment and enables us to cater for your specific needs. We have an assortment of hot and cold food as well as drinks available for over the counter sales before school, at recess and lunch.

Please let us know if you have any specific requests, we welcome your feedback.

We offer a catering service for your morning teas, meetings, class parties and private events. Please come in and discuss your needs, email miriam@greenaproncatering.com.au or call on 0410447891.
