

## OUTSIDE SCHOOL HOURS CARE (OSHC)

### **AFL Lessons – Wednesdays**

Tuesday 24 July 2018

Dear Parents/Guardians,

AFL lessons will be running this term through Sport Star Academy (SSA). SSA is the leading provider of skill based sport programs for children aged between 1 and 17. They are passionate about getting kids moving and promoting physical activity, while nurturing a love of sport and simply having fun.

Stephen Brosnahan will be the AFL coach and brings over 10 years coaching experience including Caulfield Grammar and Cheltenham Football Club. Alongside a keen passion for the game, he is a lifelong lover of Australian Rules Football with his junior career played on the Mornington Peninsula. A large portion of his senior football has been played at West Heidelberg Football Club and more recently, Cheltenham Football Club. A desire to inspire the future footy players of tomorrow saw Stephen transfer his love of the game from playing to coaching. At Footy Star Academy he is the driving force behind their ambition to offer professional quality coaches to children of all ages and abilities. Stephen will be running AFL lessons on the following Wednesdays (4 – 4:45pm):

**1, 8, 15, 22 & 29 August and 5, 12 & 19 September.**

Please note an alternative day of lessons may be provided if there is enough interest in the program.

On top of the usual after school care session fee, the cost of the program is \$120 for the 8 sessions.

To book and make payment, please go to: <http://bit.ly/FootyBeaumarisNorth>. Once you have made payment we also request that you send an email to [oshc@beaumarisnorthps.vic.edu.au](mailto:oshc@beaumarisnorthps.vic.edu.au) so that we can keep on top of numbers.

Children booked into AFL lessons will still come to after school care as usual, they will be signed in and will have the opportunity to eat afternoon tea before taking part in the lessons. Once the lessons have finished they will be escorted back into OSHC.

Please feel free to contact me at any stage if you have any further questions.

Many Thanks
