Head of Senior School Report

Head of Senior School

It's spring and that means footy finals time but more importantly for the Cobram AGS Senior School it's the business end of the academic season, especially for our Year 12 students.

With most of our outcomes drawing to a close, exam preparation is well and truly taking precedence and our students are ramping up their study in readiness for a big finish. Taking some time out of a study schedule for recreation is important and this was evident on the 22nd of August when the Senior School came together for a very successful formal held at 'The Shack' at Thompson's beach. The Year 12's did an excellent job of putting together

a fantastic evening that really highlighted the strong sense of community that we are so proud of. The formal raised money for drought relief and brought together current and past students to celebrate being part of Cobram AGS. During the evening which was full of dancing along with an alarming amount of photo's, student River Loizou gave the DJ a break and performed some of his self styled raps and Angelina Voeurn was lucky enough to win the big hamper in the raffle.

In other Senior School news a small group of students attended the fantastic 'Big day In' at Wangaratta on the 4th of September. The event was held to showcase the different career paths possible for those

interested in technology. Speakers included people who get paid to 'hack' for a living, representatives from technology firms and even the military. It was a great opportunity to discover what an amazing variety of occupations await those with an interest in STEM subjects.

On the subject of subjects! We are currently finalising what our VCE program will consist of in 2020 after gathering and analysing all of the preference forms. It is an exciting time and we very much look forward to making some formal announcements in the very near future!

ASHFest

ASHEfest is delivered by the Academy of Health Sports and Education (ASHE) for all primary and secondary students in the Goulburn Murray. ASHEfest is a two day event filled with cultural activities, workshops, traditional Indigenous games and information for parents, families and community. It is the key event of the year for ASHE. This year the students and staff of ASHE decided to take ASHEfest on tour, visiting towns in the Goulburn Valley region, giving these towns a chance to experience what ASHEfest is all about.

CAGS students from years 5-10 were lucky enough to attend the day. Students were able to participate in traditional Indigenous games taught to them by the ASHE students. The traditional games were a way to teach young Indigenous children how to hunt and keep their traditions going. All students were engaged and had a lot of fun while learning Indigenous traditions.

Father's Day Breakfast

It was wonderful to see so many father's, grandfathers and families attend our Father's Day Breakfast.

A big thank you to Amy and Vanessa for co-ordinating the event, and to our Senior School students for cooking the delicious bacon & egg rolls.

We hope everyone had a wonderful day on Father's Day, with those you were able to share it with.

Careers in our Community

Our Year 8, 9 & 10 students were privy to a wonderful opportunity attending the [Goulburn Murray LLEN](#) "Speed Careering" event hosted by the Moira Shire Council & CSC.

Thank you to the local business people for giving up their time to provide an amazing opportunity for all students. To have access to this direct knowledge, advice and passion was truly invaluable, not to mention being able to gain a sound understanding of business and industry in our local community:

Senior School Formal 2019

Well done to the Senior School students for not only planning and co-ordinating their own Senior School Formal last Thursday, but congratulations for making it such a great night!

The students wanted to also pass on a big thank you to the local businesses who supported their raffle which will be drawn on their last day of the year next term. Thanks to Mr Kennedy for his unwavering support, The Shack for providing the venue and everyone who helped out along the way, making it a huge success!

Here's a sneak peek at the night 📷

Rev's Review

Rev's Review

The two Great Commandments Jesus taught us was; Love the Lord your God and Love your Neighbour. The Parable of the 'Good Samaritan', is a story that Jesus used to explain how to love your neighbour. Neighbour in the Biblical sense means people.

Today, we call someone who helps another that they are a Good Samaritan. This is because they are helping someone even at their own expense. This may be helping someone pay their utility bill, driving a cancer patient to chemotherapy or even calling a friend or sending them a card to encourage them during their trial. Actually being a Good Samaritan is helping someone that might hate you and praying for someone that dislikes you to the max. The truth is that we can all be good Samaritans or we can be someone that doesn't care for anyone but themselves. Which are you?

Who Were the Samaritans? A Bit of Ancient history

Samaritans were despised by the Jews because they were known as half-breeds, half Jewish and half Gentile. When the Northern Kingdoms were taken captive by the Assyrians, they intermarried with them to settle in the place that is called Samaria, just north of Judea. As usually happens in such cases, they adopt the worship of their false, pagan gods, falling into idolatry. When the

Jews returned to Jerusalem and tried to rebuild the temple, the Samaritans would pour pigs blood in the temple area which was to make the temple unclean and the building project of the temple had to be stopped so that the temple area could be cleaned up again. This was detestable to the Jews and polluted what they considered to be a holy place; therefore the Samaritans were hated even more than the Roman conquerors. They would not even walk in Samaria but would go far out of their way, even if it was a longer trip, to avoid entering Samaria because they believed the Samaritans were unclean people. This is precisely why Jesus mentioned the Samaritan in this parable because he would be the least likely to ever help a fellow Jew because the Samaritans also had a hate that was equal to that held by the Jews against the Jewish people because of the way that they were treated by them.

The Anglican Op Shop

The Anglican Parish of Cobram's Op Shop is located at 35 Main Street Strathmerton.

We are open Thurs, Frid, Sat, Mon 10am-4pm, Sun, 11am-4pm
Please come along and visit our store.

We are also on Facebook.

Did Jesus name this Parable; The Parable of the Good Samaritan?

In the first place, the name of the Parable of the Good Samaritan is never mentioned by Jesus. Bible scholars and translators have attached this name because they see man as being a "Good Samaritan" who goes above and beyond where most people would go. A Good Samaritan as opposed to most Samaritans in their minds...pagan, idolators.

How can we be 'Good Samaritans' at school, home and the wider community

To offer a helping hand if needed. If we become aware of injustice, be available if someone wants to talk to you, be available. If you would like to make an appointment to see me, please contact the school during business hours or on 0439 066 553 after that time.

What We Do!

YEAR 1/2 Inquiry "Italy"

This term in our Inquiry unit the 1/2 classes have been looking at different cultures from around the world to gain a better understanding of multiculturalism within Australia. Students have been exploring the food, games, music and traditions of Indigenous Australia, Italy, China and Nigeria.

Last week our topic was "Italy" and our 1/2 classes were treated to an authentic experience. A huge thank you to Miss Leonard and the school chickens (under the care of Mr Gale) for providing the ingredients and equipment to make pasta!

All reports were that it was delicious.

We also enjoyed learning about Bocce! A traditional Italian game that can be played by all ages and abilities. Everyone loved being able to get outside and enjoy some Bocce in the sunshine together!

A big thanks to Miss Rooney & Mr O for lending their Bocce equipment for us to use.

YEAR 3/4 Guide Dog Visit

This term the Year 3/4 students have been studying the Humanities topic 'Being in Someone Else's Shoes'.

Students have learned to use an understanding of social justice to advocate for people in their community who live with a disability, and imagined how they would feel and act if they were them. Students have learned to appreciate the flexible thinking and courage shown by those with a disability and used them as inspiration to achieve their own goals. They have studied rules and laws as a mechanism for fairness in our community.

Mr and Mrs Parry, and their Guide dog Toby very kindly came to visit the Year 3/4 students to share what it is like to live with blindness. Mr Parry lost his vision at the age of 21 and has learned to manage life without vision. Students asked questions which were answered honestly as Toby sat quietly taking everything in. We all learned something new during this incursion.

YEAR 8 - Farm to Yarn Class Welcome Cobram Spinners &

Weavers

Cobram Anglican Grammar School welcomed Mrs Irene Mayall from Cobram and District Spinners and Weavers who spoke to the year 8 Farm to Yarn class about spinning wool, and gave each student a lesson on using the spinning wheel.

Cobram AGS Teacher Mrs Carolyn White says "Farm to Yarn is exposing students to the origins, uses and properties of natural textiles - silk, cotton, wool."

The students in the class have grown silkworms and are waiting for them to spin their cocoons. Where they have classed different types of wool, and investigated the properties of natural and synthetic fabrics. Students have also learnt about some of the issues surrounding the production of these fibers, including muelsing and clothing waste

Cobram & District Spinners & Weavers Inc have very kindly donated 3 spinning wheels and a loom to our school.
