Dear resident

South Australia Police (SAPOL) continues to work in partnership with the community to help prevent criminal activity.

As you would be aware, there has been an increase in reports of objects hitting vehicles travelling along the Southern Expressway.

A significant amount of incidents can be attributed to road debris being flicked up by moving traffic, but unfortunately, there have been incidences of criminal behaviour.

This type of offending has the potential to cause death, or serious injury.

If you see anything suspicious, please contact the police assistance line on 131 444. If you have any information regarding criminals and their activities report it to Crime Stoppers on 1800 333 000, or online at www.sa.crimestoppers.com.au. You can remain anonymous.

Thank you for your assistance.
