**Our  
Invictus  
Games  
ideas**

**1) Wheelchair Netball**

- This is a sport for people who have lost a lower limb
- our idea is that you need to bounce the ball once before passing off each time
- we would play it on a soft fall ground
- we would wear safety gear
- the aim is to score the most goals

**Ella, Millie, Bell and Jake**

**3) Soccer**

- this is a sport for people who are hearing impaired
- we have changed the game to include a some flags to be waved and assist the players with understanding what is happening in the game
- we also designed a torch to light up spaces where the players need to run to

**2) Challenge Snooker**

- this is a sport for anyone who has a disability
- for example, if you have lost an upper limb then we have designed a shoulder holder to support the pool cue
- we have also designed a holder to be placed on the snooker table
- people who are in a wheelchair can also complete

**Ariana, Mikayla, Eric and Zac**

**4) Baseball**

- this is a sport for people who are vision impaired
- we have designed a ball which has a devise inside to make noises to help the players know when the ball is coming
- our idea is that you can activate the devise using a iPad/iPhone from the sidelines
- each player has a partner to assist them on the field

<p><b>5) Wheelchair cricket</b></p> <ul style="list-style-type: none"> <li>- this is a sport for people who have lost a lower limb to continue playing cricket</li> <li>- we would play on a soft fall ground</li> <li>- all other rules remain the same for this game</li> </ul>	<p><b>6) Skateboarding</b></p> <ul style="list-style-type: none"> <li>- this is a sport for anyone who has lost a limb</li> <li>- if you have lost a lower limb, you can use your hands</li> <li>- you would need special gloves to help you move along the ground</li> <li>- you would be strapped to the skateboard</li> <li>- we could also help to control the skateboards using digital technology</li> </ul>
<p><b>Phoenix, Danilo and Matilda Schicker</b></p>	<p><b>Maisie, Leila and Nathan</b></p>
<p><b>7) Ping Tong</b></p> <ul style="list-style-type: none"> <li>- this is a sport for anyone with a disability to play</li> <li>- it is similar to Ping Pong, however to make it more challenging you need to catch the ball each time using tongs</li> <li>- you could play if you were in a wheelchair or if you had another disability.</li> </ul> <p><b>Malie, Max, Koen and Matilda Steele</b></p>
