

Newsletter

Dear Brookside Families,

We understand that as a care provider, the demand for new, innovative programs is constant. That is why we work hard on creating new and exciting programs all year round whilst maintaining our high levels of quality and engagement. These programs are based on your feedback and surveys conducted on regular basis. This term based on children feedback; we organised the highly demanded theme of Big Art.

Big Art was created to inspire, engage and encourage children to express their thoughts and feelings through a creative outlet. This year there 2 awesome categories to enter; Artist – for those that want to convey their messages through visuals and expressionist – for our writers to express art through words.

Big Art week provided the platform to the children to harness their imagination and showcase their creative talents where children were asked to create an artwork which can be abstract, realistic, as colourful as they like and also based on theme which inspires Camp Australia values of:

“Joy, Respect, Gratitude, Belonging and Courage”

Upcoming weeks, we will be focusing our programming on broad themes of Gross Motor Skills and Let’s Cook which will provide the range of activities for the children to explore. Few of the highlighted activities will be Duck Duck Goose, Musical Statues and Bobs, Capture the Flag, Obstacle Course and Minutes to win it for the theme -gross motor Skills.

Regards
Garima

Activities coming up
