## Around the Grounds

### 6A

Nerves were high for the first game and coming up against a strong Iona program we knew we had to hit the ground running. We started a bit sloppy in the first quarter but followed it up with two amazing quarters of tough footy in the second and third. Unfortunately, Iona got on a roll in the fourth and ran away with the game. Despite the loss there are a lot of positives to take into training and we are looking forward to redeeming ourselves next week

### 6B

Boys came short in their first match against Iona. Lots of positives to take away. The boys became more composed when taking marks and we had a couple possessions of kicking to open guys making our way all the way down the field.

**6C**

Great effort by 6C to start the year off, but, not the result we wanted. Max kicked the first goal in the first minute and then it was a tough battle from there. Archie stood up as captain to led the team. it was always going to be tough with 6 of our players playing back to back. Highlights were boys never giving up as Cameron and Grayson pulling off a great goal saving tackle and Tom nearly taking mark of the year.

**6D**

After absorbing a lot of pressure in the opening 5 minutes Cam Murphy got us on the board to open the quarter. Both teams scored a goal in the second in an evenly contested first half. Iona reduced our lead to one point heading into the final quarter before a Jacob Cagney goal broke the game open with 5 minutes remaining helping us secure a win in our opening game of the season.

Came up against a very quality side and the boys improved every quarter. Some great passages of play that led to some impressive goals. Lots to look forward to this year!

**5B**

Boys played spectacular football for a new team finding their feet in the sport, the scoreline did not reflect on the effort they put in. Extremely impressed and proud of the way they're developing

**5C**

This past Saturday showed the first round of AFL for 5C where they played their first game together as a team and took out the win against Iona. The boys showed great potential in the first game through their initiative in manning up and spreading out on the field. An exciting season ahead for the boys of 5C.

**5D**

A great game for the 5Ds - first game for many (and after a very busy week!). Special shoutout to Reuben, who scored a goal from right beside the midfield line!!
