Capable Me

Capable Me is not your average work-ready program. It's a space for young adults with NDIS funding to develop the skills needed to enter the workforce, the confidence to explore personal interests and the practical experience to support lifelong independence.

We offer a range of educational and training programs that go beyond traditional job skills. Our holistic approach helps you develop the skills you need to succeed both in and out of the workplace. And once you're ready to take the next step, we provide ongoing support, including mentoring, workplace assistance, and opportunities for continued learning.
