

Swimming Carnival: Years 3-6

We are going to Bendigo East swimming pool to take part in our 3-6 Swimming Carnival!

How We Will Get There

In the morning, we will be travelling by bus to the swimming pool. Each year level will be on a bus each.

What to Bring - Swimming

You will come to school wearing your bathers and if you like, wearing sun smart clothing that is your house colour.

Please remember: Goggles and a towel

What to Bring – For the day

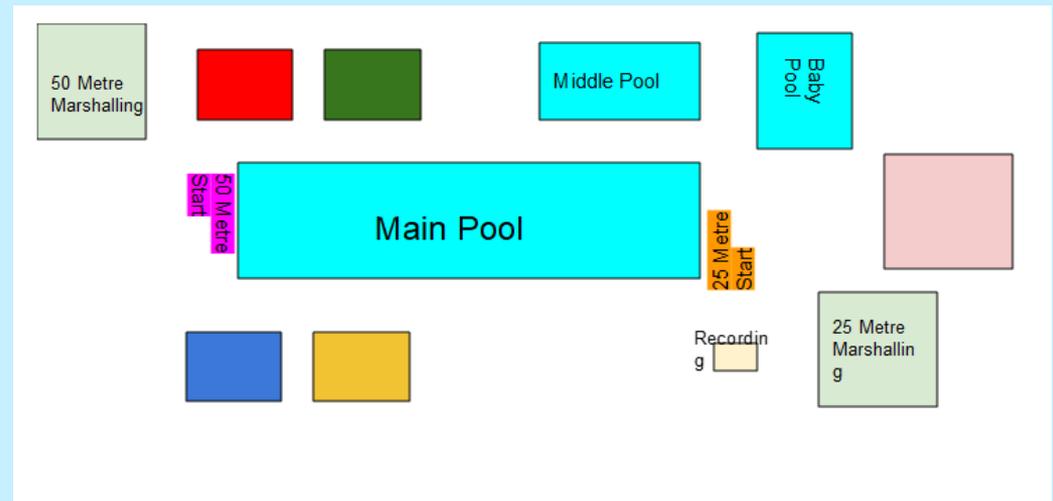

You will be at the pool for the day, so please make sure you bring enough food, water and a sunsmart hat.

Please make sure you are wearing sunscreen.

When We Arrive

When you arrive at the pool, you will go to your house colour tent, ready for the day.

During the day

During the day, teachers will be calling out age groups for different events. Please be listening, ready for the events.

If you are waiting, cheer on your team!

During the day – Swimming Events

There will be 50 metre events, 25 metre events and the exciting novelty events!

Safety First

We need to be listening to the teachers, LSOs and lifeguards at all times.

Going to the toilet

We will let our house leader teachers know that we are going to the toilet.

We do not use the showers.

It's Okay to Feel Nervous

Trying something new can feel scary. Teachers are here to help and encourage you to have fun!

Bonus house points!

Bonus house points are awarded to house areas that are clean, rubbish being picked up and put into the bin! And house groups who are cheering their peers on.
