### **To the School Principal**

This Summer holidays the Portland Yacht Club will be offering a beginners junior sailing program, "Tackers", which is run nationally by Australian Sailing.

The "**Tackers**" program will be run over four days; 28<sup>th</sup> - 31<sup>st</sup> December, 10am-3.30pm. The four day course for 7 to 12 year olds, with all equipment supplied and Australian Sailing qualified instructors, has a registration fee of \$280. This would make an ideal gift from a grandparent looking to encourage a grandchild to engage in an active outdoor pastime and be safer on and around water. We encourage your school to promote this opportunity for families to visit Portland and enrol their children in this holiday program.

I have included with this letter information sheets and an Australian Sailing flyer setting out details for the above programs. It would be much appreciated if copies could be sent out with school newsletters, as well as being posted on student notice boards.
