

What can you do to help?

- Although later bookings are usually available, we have started get more popular. The best way to avoid disappointment is to book early, so staff and resources are available.
- Please ensure enrolment details are up to date. Including any address changes, dietary requirements, medical updates, additional needs, approved people to pick up children, etc... it only helps us ensure the best care is provided.
- If you are not sure how photos are used in the service, please ask! Photo permissions have recently had a rewording, so if you would like to see photos of your children in this newsletter please have a look at your permissions.
- As we are in Term 4 now with higher UV ratings, especially in the afternoon, the "No Hat, No Play" is in place. Please either provide a separate hat or remind children to bring their hats from class. We also have a sunscreen station, although feel free to bring your own.

Painting and messy play has become popular recently. I do encourage art smocks, although any loose spare clothing is appreciated!

Pupil Free Days

Monday 3rd November

TheirCare is available on this day, but so far we have no bookings. If bookings are not in soon the day will be cancelled to ensure available staff at other services.

We are closed on the Tuesday 4th November.

There is another PFD coming up on the 26th November.

Origami (折り紙) is the Japanese art of paper folding. Different paper sizes and thickness have different results. Very cool!

We also love puzzles! Some are even 3D... It might say 8+ on the box but we know our children can do that!
