The 6Bs came away with a thrilling win against Saint Laurence's College after an intense, hard-fought game at home. Trailing for majority of the match, the boys entered the fourth quarter knowing they needed a big effort to chase down a strong Laurie's team, and they delivered.

With every possession mattering, the team worked together and fought hard. Strong defence and smart plays brought them back into the game, after a huge quarter, they pulled ahead by one point. Having to display their defence and hold the lead for a final possession. Working to win this game was a 40-minute effort built on teamwork, and belief.

I'm very proud to see the boys continue their winning streak and we hope to carry this momentum going into next week.

6C

The boys came out firing with an incredible first half, showing energy, teamwork, and plenty of grit to take control early. Laurie's pushed hard after the break, but our team held strong in defence and kept their composure to secure a well-deserved win.

6D

In a gritty showdown between Marist and Laurie's, it was a battle of defence, hustle, and heart – and Marist came out on top with a nail-biting 18-16 victory.

Thomas Stevens anchored the defence all game, locking down key matchups and setting the tone with intensity and effort. In the paint, Jacob Ariza Moreno was dominant – pulling down boards, contesting shots, and controlling the tempo inside.

With the score tied and under a minute to go, Marist stayed composed. Then, with less than 40 seconds left, we hit the clutch game-winner to seal the deal and send the fans into celebration. A hard-fought win and a big-time performance from the boys in Blue and Gold.

St Laurence's College 57 def. Marist College 19

MVP: Tristan Nicoletti

The Marist boys continue to show growth and commitment, despite going down 57–19 against a strong St Laurence's College side boasting several representative-level basketballers.

The team's hard work at training is beginning to show, with improved cohesion and teamwork on display throughout the game. While Marist fought hard from start to finish, missed scoring opportunities proved costly, highlighting the need to improve execution on the final shot.

Individually, there were many positives. Tristan Kennedy was dominant under the ring, providing a strong presence in the paint. Kielland O'Brien worked tirelessly on both offence and defence, while Kai McKenna's relentless energy made him the unsung engine of the team. MVP Tristan Nicoletti continues to step up, showing leadership qualities as he begins to run the team with confidence.

Although the scoreboard was one-sided, the signs of development are clear. With continued effort and belief, this group will only grow stronger as the season progresses.

After a week's break from training and games, the boys were keen to get back on the court. In a low scoring game, our first half was naturally a little shaky with several turnovers due to St Laurence's being able to retrieve ball whilst we were on the attack. All boys displayed skills we have been practicing at training. Austin showed excellent defence throughout the entire game sticking to his player (literally!)!! Harry Russo also in offense and Maverick for getting back out on court after icing his ankle. It needs mentioning again that this team of boys regardless of score always keep their head up and a testimony to all parents.

The 6B Rugby League team drew their game with St Laurence's 12-a-piece.

After trailing 8 - 4 at half-time, the team rallied and hit back after half-time to tie the game 8 - 8. SLC scored a quick try straight afterwards to take the lead 12 - 8, but the electrifying 6Bs centre and captain Caele Hall took it upon himself to bring the team level again. Unfortunately, the game was called off early and the final score was 12 all.

Caele Hall was the clear MOTM with his dynamic running and excellent defence.

Was a tough game against Laurie's. Missing out 2 props left us with a little less power through the middle. Laurie's tackled just as hard as hard and ran as hard. A couple errors were what they thrived off with a few too many metres being lost in the middle. Our boys did well and stuck through the whole game and didn't give in. Laurie's did the same however and put a try on us in the last couple minutes to tie it up. We worked back to their side of the field, and everyone wanted to score losing tackles in the middle and not being able to score on an open edge. It was a good game, and the boys got a little bit of a shock from a good team which is what we needed. It's now clear what needs to be worked on to improve for next week. Overall happy with the boys for sticking through the whole game and not giving in.
