

## Charles Sturt Advantage early offer program Golden Ticket

Students who have been successful in round 1 of Charles Sturt Advantage will receive their offer by mid-May! As an Advantage student, they'll get free entry into all ticketed events at Orientation. More info about this will be included in their offer letter. [Applications](#) for round 2 are currently open, closing on 30th June.

Again, if you would like more information or have any questions, please reach out to us at [schools@csu.edu.au](mailto:schools@csu.edu.au) - I'm more than happy to answer any questions you have. Looking forward to a great Term 2 with you and your students.

You'll want to let your students know round two applications for our early offer program are now open, Heather.

We're looking at students Year 11 results and searching for people with soft skills. All your students have to do is provide their Year 11 results and answer three questions to show us they have the qualities we're looking for.

Students can jump online to see which Charles Sturt courses are part of the program and find out more.

[Find out more](#)

You can also join our [online information session](#) on Wednesday 7 June at 6.30pm to learn more about our early offer program and ask any questions you have.

Please share with your students. We have a position available for a robotic programmer. There is a video on our facebook page with a position description and a visual as to what is involved.

On Tuesday 2 May the University of Newcastle is hosting a Parents and Carers Info Session at our NUSpace campus.

We know many of our regional parents and carers will be unable to attend this event in person, so we will also be live streaming our Newcastle event via our website.

We'd greatly appreciate if you could please share the below information with your school community via your social media and newsletter channels.

### **Newcastle Parents and Carers Info Session**

**Date:** Tuesday 2 May

**Time:** 5:30pm – 7:00pm

**Location:** NUSpace Campus, Hunter St &, Auckland St, Newcastle NSW 2300

[Click here to access the live stream link.](#)

[Register here](#) for our face-to-face event.

**If you have a child who is currently completing Year 12 we invite you to join us at our Newcastle Parents and Carers Info Session on Tuesday 2 May at our NUSpace campus or via our live stream of the event.**

Parents and Carers will have the opportunity to hear from knowledgeable university staff and current students, covering a range of different topics to assist you in supporting your child through their transition from high school to university including:

- Everything you need to know about entry schemes and pathways to university, including our new Early Entry Program
- How to best support your child through the HSC as well as tips for managing wellbeing and stress
- Have the chance to speak to current University of Newcastle Student Ambassadors about their first-hand experience transitioning from school to university, student life, support services and much more

You'll also have the chance to speak one-on-one with our friendly teams to ensure you walk away feeling confident and informed.

## **Are your year 12 Indigenous students looking to gain entry into Macquarie University before they sit the HSC?**

**APPLICATIONS ARE OPEN FOR OUR ABORIGINAL AND TORRES STRAIT ISLANDER ENTRY PATHWAY (ATSIEP).**

Walanga Muru's Aboriginal and Torres Strait Islander Entry Pathway (ATSIEP) is an opportunity for Aboriginal and/or Torres Strait Islander students to **gain entry to study** an undergraduate level course at Macquarie University.

**In 2023 we are hosting interviews in the 2nd week of each month from MAY to January 2024.**

Walanga Muru's ATSIEP is a **2-stage process**, comprising of an online application and interview.

**Interviews** will be held in person and online via Zoom to give students the opportunity to elaborate on their application in a casual setting and hopefully gain entry into any undergraduate degree here at Macquarie University in 2024 **prior to the main round offers**.

Our interviews will also give students the chance to learn more about our centre and the University campus and find out about any scholarships and prizes they may be eligible for.

Each student that completes an online application will be notified within 3 days of submitting whether their application is ready for an interview.

**Students will know within 2 weeks** from the day they attend their interview whether they have been successful.

There are **no prerequisites** and students can apply if they:

- Would just like the peace of mind of an early offer.
- Are not going to receive an ATAR.
- Think that they may receive an ATAR score lower than is required for admission to their chosen degree.

**Please find the link below, which will take you directly to the ATSIEP online application form.**
