

Year 12 Information Evening

It's nearly here - only two weeks to go until the **Year 12 Information Evening** on Thursday, June 13! This event is a great opportunity for students to explore their future career in engineering or IT and learn about the best courses to get them there.

UTS academics, current students and industry partners will be there on the night to share course information, insights on careers that are in demand and the skills students need to get there.
