

Dogs are better than Cats.

It is obvious that dogs are better than cats. Dogs are magnificent animals because they are loyal , protective , and helpful.

Firstly, Dogs are very loyal animals. They welcome you home.

Secondly, dogs are more protective than cats. They bark when someone is at your door .

Finally, dogs are more helpful than cats. Dogs help the police.

In conclusion, you must agree with me. It is impossible that you could still like cats after hearing my reasons.
