

# SPECIALIZED CHESS COACHING

## AFTER SCHOOL WEDNESDAY'S

Each week different lessons are taught such as tactics, strategies, special moves, traps and openings that will help players improve their game. Kids are then paired up in a fun tournament play off where they can put into practice their new skills & knowledge.

**All skill levels are catered for!**

Chess has many **educational benefits** such as improving concentration, problem solving, pattern visualization, analytical skills, memory recall, concentration & self esteem. Most importantly it's about having fun learning how to play the world's most popular mind sport!
