

**Scholarship applications are now open for programs
departing in 2017!**

Those students completing Year 9, 10, 11 or 12 this year, who want to study abroad,
can jump online and apply now.

For the full application details, scholarship categories and
closing dates, visit www.scce.com.au/scholarships or contact us
on 1800 500 501.

Hot off the press is our latest "Experience your World" brochure. The brochure is a full guide to
our international student exchange programs for 2017, including available destinations, departure
options and details on early bird savings.

Click the image below to view the full brochure online.

Your School Visit

A member of our team would love the opportunity to attend your school assembly and provide a short overview of Student Exchange, scholarship opportunities, the available programs and what is involved in living and studying overseas. Interested students can then attend a more in-depth, free public information session with their parents, and ask any further questions they may have.

To book a visit to your school, simply contact us on 1800 500 501 or email scceaust@scce.com.au

**Learn about another culture, develop language skills and
make friends for life!**

We are inviting local families, interested in culture, language and learning about another country, to discover the opportunities of hosting an international student.

**To support cultural understanding and learning in your community please
download and share our Volunteer Host Family flyers below.**
