

# **We are Going to the Grade 5/6 Earn and Learn Market!**

Next Monday, 16 June, we are going to visit the Grade 5/6 classrooms for a special Market.

The Grade 5/6 students have made their own businesses. They will be selling things they have made.

# What is a Market?

A Market is a place where people set up tables to sell things.

At this Market, the Grade 5/6 students will be selling crafts and food.

## **Where will the Market be?**

The Market will be in the Grade 5/6 portables.

The tables will be set up all around the edges of the room.

We will walk around the middle and look at the stalls.

## **What will happen?**

We will go to the Market with our class and teacher.

We will look at the different stalls and can buy something if we want to.

There will be lots of people talking and moving.

It's okay if it feels a little busy or loud.

The adults will be there to help and find a quieter area.

## **What might feel different?**

There might be a lot of choices.

It's okay if it takes me a little while to decide.

There might be other children moving around me.

It's okay if I need to take my time.

If I feel unsure or worried, I can talk to my teacher or another adult.

**When we leave...**

After we finish shopping, we will go back to our classroom with our teacher.

It is a fun way to see what the Grade 5/6 students have created.
