

St Pius X College Cricket Club

CRICKET REGISTRATION IS OPEN

The SPX Cricket Club provides support for all budding cricketers to develop their skills and a terrific way for the boys to build their friendships (and for you to build yours) further across St Pius.

Playing in the Manly-Warringah Junior Cricket Association, SPX U12 and U13 teams play against both club and other school teams in 30 over matches on Saturdays commencing at either (8am for U13 or 1pm for U12's) with teams graded to provide each boy with the right level for their ability.

With professional coaches providing group coaching sessions during sports days to build core skills and the chance to play home games at the amazing Oxford Falls facilities, SPX Cricket Club offers a truly unique junior cricket experience.

The involvement of parents is not only encouraged but vital to the SPX Cricket experience, with many hands making light work. For those keen to get active, each team needs a game day coach and support is available for coaches to set up after school training sessions for their teams during the week.

Each team also needs a manager.

The scoring/umpiring duties are shared among the team. This is a great opportunity to switch of the phone for a few hours each Saturday and cheer your boys on while having plenty of laughs along the way.

Now you need to link your PlayHQ account with your Cricket ID. Cricket Australia provided the following notes regarding Cricket ID's:

- **A 'Cricket ID' is not the same as a MyCricket ID.** A Cricket ID is a participant's key to the Australian Cricket digital ecosystem. It is used to interact with all Australian Cricket apps and websites from the MyCricket App through to cricket.com.au. Your Cricket ID ensures a tailored experience across all these platforms.
- If registering a Child, please remember to create your PlayHQ account first. When registering a child, please **make sure you link your Cricket ID to their PlayHQ account. Children do NOT need a Cricket ID.**
- It is recommended that you use a Microsoft Edge or Safari browser when registering through PlayHQ, this will ensure you do not encounter any issues when trying to link your Cricket ID. If you use Mozilla Firefox or Google Chrome, you may encounter some intermittent errors.
