

# SCHOOL COUNCIL

## FEBRUARY REPORT

The final meeting of the 2022 School Council was held on February 6th. At the time of writing, nominations are open for three 2-year terms parent representative positions. School council is a great way to gain a better understanding of your child's primary school, including the financial position, community contracts and the strategic plans that will lead LPPS into the future. As meetings are held outside business hours, school council can be a great way for parents to get involved who are unable to do so during the day. You can find more information on the role of school council at <https://www2.education.vic.gov.au/pal/school-council-overview/overview>

## Your Ideas Matter!

Do you or your child have an idea on ways in which we could improve our school? Parents and Friends will soon be asking for suggestions on what LPPS should fundraise for next. Be sure to keep an eye out and get your suggestions in.

P.S. If you are interested in getting involved, P&F is always on the lookout for new members. They are a friendly, welcoming group,

## School Council Updates

The 2nd draft of the 2023 Budget has been approved, with the final budget to be submitted and approved after census date. School Council parent

members provided some feedback on the return to school from the student/family perspectives. Laura Caddy provided a summary of the broad goals for the year, including an increased focus on student outcomes as we continue to build the sense of community and belonging within our school
