

Senior School

13th April, 2015

Dear Parent/s,

Each term teachers plan, as part of our comprehensive curriculum, activities that enrich the learning experience for students. These activities sometimes incur a cost beyond that included in the annual curriculum contribution paid at the beginning of the year. Apart from extra-curricular activities such as Camps, Swimming and Wakakirri, it is expected that these will be the only curriculum costs for families this term.

Please find below the Term Two collection for enrichment activities for your child's class. This term we have also attached, for your convenience, permission notices for each of these activities.

PERMISSION SLIPS AND PAYMENT FOR THESE ACTIVITIES IS DUE ON FRIDAY 17th April 2015.

Unfortunately students will not be able to participate in these activities if payment is not made.

Thank you for your cooperation.

Daniel Gooding

Dear Parents,

On Thursday the 18th June, Kilsyth Primary School will be having a whole school Virtual Excursion to Asia.

Students will actively participate in a computer generated live and interactive experience right here at school. They will travel down a Chinese market and see all the goods it has to offer. They will hear the language being spoken and witness firsthand the enrichment of cultural diversity.

The cost for this incursion is \$6.00.

Any questions or suggestions, please feel free to contact me at school or e-mail me on
