March News

We have had a fantastic few weeks here in OSHClub getting messy and exploring all things science! We have had a great response to Science Squad, experimenting with colour changing water, exploding soda, and fizzing lemons. Each experiment has drawn a large crowd of participants and spectators, as you will see in our photo gallery.

In Waste Warrior club, members have been slowly creating papier Mache globes over several afternoon sessions, carefully adding layers of newspaper, and painting their final products!

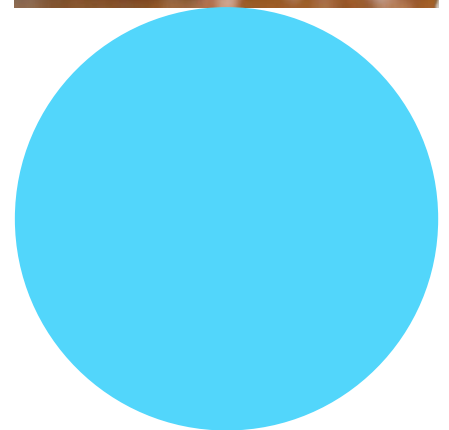

Foundation students attending OSHC have grown, with up to 20 attending a night! Our youngest students have gained confidence in their knowledge of the school environment, OSHClub routines, rules and resources, staff and each other. We have seen some fantastic friendships develop over after school snack chats, construction play and swinging on the playground!

Pokémon cards have had a resurgence at school and OSHC, with many children trading and battling Pokémon in before school and after school sessions. We have designed activities around this Pokémon phase, including 'create your own card', and 'air-dry clay Pokémon' characters.

This week you will see Yoghurt Cups, Hot Cross Buns, Pasta, Pizza and Popcorn on our menu, and a continuation of science experiments and group activities!

SCIENCE SQUAD

Monday's, Thursday's, and Friday's

This week's theme in Science Squad is ICY EFFECTS, where we will be Making Snow, Fizzing Ice and trying our hand at Ice Fishing!

Make sure to keep an eye out for pictures of these experiments in our reflection journal!

WASTE WARRIORS

Tuesday's and Wednesday's

Due to the time and newspaper layering involved in Week one's Papier Mache activity, we will be completing Week two's dinosaur fossil activity this week! Make sure to book into OSHClub on Tuesday or Wednesday to mould, press and bake your own dinosaur fossil!

Bookings and Cancellations

We would love to be able to welcome all families who want and need care at our service every day! However due to increasing booking numbers this hasn't always been possible. You may have noticed recently that our room is buzzing with children, activities, music, and chatter! Our booking numbers have jumped up in the last few weeks, which has meant that some days we have been at our maximum capacity and have not been able to take last minute or day-of- bookings.

The iParent portal closes for parent bookings **48 hours before a session**, for our staff to monitor booking numbers and schedule the appropriate number of staff, resources etc. If you would like to book in within this 48-hour period or on the day of the session, **please text our service number 0432 680 504 with your booking request**. Our phone is not monitored between 9am and 2:30pm, so messages are preferred, and we will get back to you as soon as possible!

Booking in early or scheduling reoccurring bookings, ensures you are always guaranteed a spot!

See attached Key Service Information for late and cancellation fees.
