or call 0265530071

### **About the speaker**

David McDonald had been in Christian ministry for more than two decades—as a pastor of Crossroads Christian Church and a chaplain to the Brumbies Super Rugby Team—until a diagnosis of stage-4 lung cancer shook his world.

Cancer has taken Dave on massive physical and emotional journey, and it has also challenged and shaped his faith. Dave has written a book called *Hope Beyond Cure* and he is involved in advocacy and support to many people with cancer.

Dave is a survivor of seven years and now lives on the Mid North Coast with his wife Fiona. This year he has taken on the responsibility of pastor at Salt Community Church in Bonny Hills.
