

Meet The

TEACHER

I'm Simon and can't wait to continue learning with the Newlands community in 2025.

I'm a big-picture thinker committed to student agency and helping students be brave, creative changemakers, and problem solvers.

I'm a jovial person disappointed if a day goes by without at least one big laugh.

I've been teaching for 8 years with my first at Newlands being 2023. Prior to this year most of my teaching has been in the middle years.

I live in Pascoe Vale with my wife, Mon, and the cutest dog in the world, Remi.

I love food, travel, board and card games, and sport, most passionately the St Kilda Saints

Food- Seafood
Cuisine- Japanese
Sport- AFL
Colour- Purple
Animal- Remi
TV/ Movies- The Office,
Marvel, Star Wars, Lord of
the Rings

FLOR

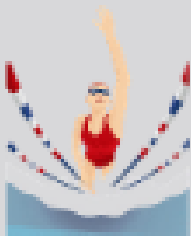

¡Hola! Soy Florencia and next year I will be your year 5/6 teacher. I am looking forward to getting to know you and sharing a year filled with lots of learning.

ABOUT ME!

I was born in Buenos Aires, Argentina, and moved to Australia this year. Argentina is an incredible country in South America. In Argentina, people are very friendly and you will recognize them because they are always drinking mate. For me, the best foods in Argentina are asado, empanadas and alfajores. I love my country and I hope one day you can visit it!
