Padua 5D 6/72 def. MCA 5 White 9/68	Percy Hede Gian Air	Gian Air Cormac McKenna

Around the Grounds

6A

Marist started the game in promising fashion with an early wicket from Vincent Heenan. Despite some positive fielding efforts and excellent catching behind the stumps from Will Silec, the significantly large number of wides and no-balls allowed ATC to post a competitive total of 137. In reply, Marist began their chase with intent, with some positive batting and effective running between the wickets ensuring that we went into the drinks break at 3/63. After the break, the ATC bowlers had the ball on a string, resulting in them restricting the scoring opportunities and putting our batsman under pressure, and eventually bowling Marist out for 97. Man of the Match for his impressive bowling, batting and fielding display was Hugo Burg.

6B

The boys started the game well restricting ATC to 86 off 25 overs with some good tight bowling. After starting the chase well, a batting collapse saw the boys slip to 9-67. Henry Walker and JD Cootes tried valiantly for the last wicket but unfortunately the boys fell 10 runs short.

6C

The 6Cs performed well in their first outing, only closely missing out in the short format game due to time constraints after getting themselves in a great position to win. It was great to see them play the way they

did. Best bowler has to go to Tom Clapham with his consistent on the wicket approach. A couple of unlucky early wickets and retirees left James Doolan and Isaac Gillett the opportunity to form a steady run scoring partnership, to which they did, therefore giving them the best bats for the week. All in all very proud of the boys for their performance and can't wait for the season to come.

6 Gold

6 Gold got a win today 3/74 defeating Padua 6/41. Caelan Rabie and Felix Law top scored each remaining not out at the end of the game. Oliver Ve dominated the bowling with 3 wickets along with Luke Byrne, who struck early, with a wicket on the first ball of our innings.

6 White

Quite a strong first game from the 6 White team. Early on, there was quite a lot of positive chat in the field, ensuring everyone was on their toes. An outstanding batting performance by our two openers, James Burt and Eoin Doyle, paired with an excellent bowling innings ensured that the 6 White team secured their very first win for the season.

5A

The 5As won the toss and sent in ATC to bat. It was gloriously sunny morning in Indooroopilly and some fast and accurate bowling got Ashgrove off to a promising start. Wickets were tough to come by but a total of 3/122 seemed very attainable. However, three unnecessary early runouts had MCA reeling with ATC growing in confidence with each wicket. With 10 overs remaining the 5As required 50 runs for victory with only two wickets in hand. It seemed as though we were all heading home early until Dermot Whitaker put in one of the best batting performances I have seen from a Year 5 student at the College. Keeping his cool by blocking balls on the stumps and punishing the looser ones, Dermot showed a cool head in a high pressure situation. With three balls remaining and nine wickets down, Dermot was finally bowled on 49 from 47 balls. He showed great sportsmanship by immediately shaking his victorious opponent's hands. ATC were ecstatic with their hard earned three run victory. It was a wonderful first game for all to be a part of and we look forward to seeing how the team can develop in the coming weeks.

5B

Match Abandoned

5C

A great first up performance for MCA from the 5C team. The boys played with great spirit and enthusiasm all morning and really worked well as a team when fielding. Thanks to the parents who supported the boys throughout the match. We are looking forward to our next game against Villanova.

5 Gold

Boys had a wonderful first cricket game for MCA. We came away with a narrow win. The boys were gracious and showed wonderful sportsmanship. Looking forward to building on our skills each week.

5 White

5 White had a great start to their first MCA cricket season on Saturday, despite just going down to Padua. Our boys were 9/68 with Padua - topping us by a mere 4 runs - on 6/72. The top batters on the morning were Gian Air – who also managed to snare three 4s – and our opening batsman and captain for the match, Cormac McKenna. Our top bowlers were Percy Hede and Gian Air, with Gian also securing a maiden over in his second bowling over. The atmosphere was great and I am looking forward to watching the boys develop and hone their cricket skills over the season.
