

13th May 2019

Dear Parents/ Guardians,

In Term 3, John XXIII College will be hosting Italian students from Liceo Scientifico R. Mattioli in Vasto, for 3 weeks as part of our exchange programme. They will arrive at John XXIII College on Tuesday 27th August and depart Friday 13th September 2019. During this period, they will spend 5 days up north on excursion.

I encourage all students who are studying Italian, those who have or intend to participate in the Study Tour to Italy to host a student.

The students will be attending John XXIII College daily and will require transport to and from school, accommodation and food. They can travel on public transport with their host brother or sister. Whilst the students are at the College, they will participate in a wide range of activities during the school day, some related to school and some for sightseeing. This will all be organized by the college. Usually, what the students most enjoy is their time in with an Australian family.

An information evening will be organised in early Term 3 for those families that are hosting. Should you have any queries, please don't hesitate to contact me via email monica.smokrovic@cewa.edu.au

If you would like to host an Italian Exchange Student, please return the Expression of Interest to Host Form, on the back of this letter, to Mrs Smokrovic by Wednesday 3rd July.

Your willingness to host is much appreciated and we hope that this will be a wonderful experience for your family.

Yours sincerely,

Olivia Green and Monica Smokrovic
Italian Exchange Co-ordinators
