

Teesdale Primary School

Foundation Transition Dates

All future Foundation students who intend to enrol at Teesdale Primary School for 2023 are invited to attend the following transition sessions. Students will participate in literacy, numeracy and play during each session and become more familiar with teachers and the school facilities. Parents drop off and pick up their child under the cover of the mud brick building. Staff will be at the front gate to provide direction and assistance with checking in. Dates, times and further detail are outlined below.

Families are also invited to attend our Family Information Session which will outline a range of information to support your child's transition to school. This will occur while the students are participating in their first transition session.

If you have any questions about the following activities, please contact the school via phone **03 5281 5218** or email teesdale.ps@education.vic.gov.au
