

**St Joseph's**  
CATHOLIC PARISH PRIMARY SCHOOL **BULLI**  
*Truth and Light*

15 June 2021

Dear Parents and Carers

Last week, many of you were able to attend the Year 4-6 parent information evening for the Personal Development Unit: *Growing and Changing* that your child/ren will learn over the next two weeks. One of the key messages from last week was that this unit is taught within the Catholic context of right relationships.

I am pleased to be able to offer a follow up session on Thursday 17 June 2021 at 5:00pm for you to view the video the students will watch during the unit, and for you to hear teacher responses to the questions raised via Padlet at last week's session or perhaps any further questions you may have.

The session being offered on Thursday is not a repeat of the first session but an additional session based on your feedback last Wednesday evening.

Please register your attendance via the attached link (*google form*). On arrival please enter the school via the Park Road gate next to the school hall and use the QR code located at the gate to sign in. The venue for the session will be on the QR sheet when you sign in.

We hope that attendance at this additional session will provide further support for you to fully understand the content being taught to students in Years 4-6 so that you have all the information you need to engage in open conversations with your child as their bodies grow and change.

Yours sincerely

Jen Charadia  
Principal
