Valley Gardens is the last stop on the bus route after school. The neighborhood is known for its wealthy families, perhaps the richest in town. Marianne, Bruce, Glenn, Dexter, and Jesse live in Valley Gardens, and have no trouble guiding the new bus driver to the last stop of the day—but the strange substitute driver keeps driving. Soon the five teenagers are hostages deep in the mountains. Their kidnappers demand stacks of money from their families, even though most of the students aren't as well off as the abductors assume. Without hope of raising the ransom money, the five teens must find a way out or face terrifying consequences.

The best, most direct way to convey your intelligence, expertise, professionalism, and personality to other people is through talking to them. But most people have no idea what they sound like. And even if they do, they don't think they can change it. *It's the Way You Say It* is a thorough, nuts-and-bolts guide to becoming aware and taking control of how you communicate with others.

An entire section of the book focuses on communication issues in the workplace—interviews, presentations, voice mail, and more.
