Reading

Tips!

Postcards and cards

At special times of the year or celebrations, enjoy opening the post together to read birthday cards, or letters from family and friends.

Visit your local library or book store

Encourage your child to choose books relating to a topic that they're really interested in.

Reading to other members of the family

Children love to share reading skills with family members so if you are visiting family then take reading books with you so someone different can say how proud they are hearing your child read.
