

OLA Working Bee 'To Do' List

We are looking forward to welcoming families to the Term 1 Saturday 22 March from 10.00am-12.00pm.

Please bring along your tools such as **wheelbarrows, blowers/blowervacs, whipper snippers, rakes, shovels, brooms, hedge trimmers, secateurs and other gardening tools.** Our main aim is to spread soft fall on the playground, sweep up pathways, weed and trim garden beds and help make the school feel and look great!

We ask parents to sign in at the desk outside the roller door garage near the bikeshed on arrival and to sign out when you depart. Toilets will be open at the end of the administration building. Water is available for all. With thanks. Richard Jacques & Lee Vaessen

Area 1

Centre Dandenong Road Front Garden

Job	Family
Remove broken tiles and weeds on island near intersection (RJ & LV)	
Weed edges and garden on left and right side of laneway	
Weed front garden behind black fence, remove rubbish and trim dead bushes/grass etc.
