Around the Grounds

6A

This nail-biting match went down to the very last ball, with a 6 needed to win. Although we weren't able to finish up with a win, the boys should be very proud of the way they encouraged each other and worked together as a team. Special mention must go to this week's captain, Ethan Taylor, who secured a runout and two brilliant catches in the field.

6B

Marist was sent out to bowl with ATC scoring a large number of runs early. Marist steadied the ship however after drinks and managed to pick up 6 wickets leaving ATC 8 for 124 after 25 overs. Keen to bat, Marist went out with a positive attitude. However, were unable to get runs on the board. With a slow batting innings Marist was bowled out for 59.

6C

Marist played well, we saw considerable improvement in the bowling and batting component with a bit of downfall in the field. It was a close game in the end but Marist was bested by the other team. Best batter was Carter who played good shots and ran between the wickets very well. Best bowler was Felix who took 2 great wickets for 13 runs. A mention for Thomas Clune who had a stand out performance in the field with two direct hit run outs.

6 Gold

On a very hot, humid day early on in the season, the 6 Gold boys definitely delivered. Going up against a very talented Ambrose Treacy outfit on a very fast wicket, the entire team came together as one and produced two scintillating innings with the bat and the ball. The team definitely improved on their discipline and awareness while in the field, something which we preached to them at our training sessions. There was far better communication between everyone then compared to our Round 1 matchup against St Laurence's and our bowling attack also improved significantly. Major props have to go to Hugo Dillane who bowled a pearler of a ball and got a wicket in the first over. This definitely set the tone for the rest of the matchup in terms of our aggression and confidence. The boys were then tasked with chasing down a respectable figure of 60 runs from the Ambrose Treacy boys. The boys batted with superb style and confidence surpassing the 60-run total in the thirteenth over. Major credit has to be given to Luca Bordignon who was the Steve Smith for our team. He scored sixteen runs for us including one of the best sixes I have seen from someone his age. Overall a great day for our boys who displayed pride, passion and a willingness to get the job done. They have made their coaches proud with their effort and have given themselves a huge boost of confidence for the rest of the season.

6 White

On Saturday, the Marist 6 Gold cricket team competed against the mighty 6 Greens. A solid effort in the field meant that we were left to face a relatively conservative target. Congratulations to our strongest bowlers on the day - Declan Barbaro and Cooper Hayes, who managed to achieve 1 for 4 and 1 for 6 respectively. Despite being confident that we could bring the game home, some tentative running between the wickets resulted in some missed opportunities and ultimately, this created a number of 'run outs' early on. Despite this overwhelming obstacle, congratulations must go to the following players who managed to ensure that we remained competitive for all 20 overs despite our early wickets, Charlie Harris, Cooper Hayes, Declan Barbaro, Oliver Eaton and Sam Turvey. Overall, it was a game played with great spirit and the team will continue to work on our fielding and running between the wickets in preparation for our upcoming game on Saturday.

6 Green

The 6 Greens had a well-deserved win against their 6 White counterparts, aided by a massive improvement in bowling accuracy and superb fielding. In a relatively low-scoring game we managed to end our innings at 4/58. Top scorer was Callum Curtin (18 runs) followed by Caleb Van Coevorden (8 runs) and Kai Yip (7 runs). The team are mastering 'the quick run', and this is beginning to show dividends. In the field both Caleb Van Coevorden and Billy Lenehan showed prowess as wicketkeepers and let very little past them. Well done to wicket-takers Tomas Hammond (2 wickets – 1 caught and 1 bowled), Darcy Mahoney (2 wickets – both bowled), Callum Curtin (2 wickets – 1 caught and the other caught & bowled), Matthew Alvarez and Joseph Richards who both forced a run out, and Kai Yip (bowled one out). Congratulations team on a magnificent morning of cricket. Our season is looking very promising.

5A

Batting first, the 5As started well with a solid opening partnership from Will Silec and Remi Sakzewski. A batting collapse was somewhat recovered by some fine tail ender hitting from Harry Cleary and Oliver Blakemore. 86 runs was never going to be enough but the boys bowled their best and kept the pressure on ATC all the way, losing with 5 overs to spare. A good effort overall, with plenty of positives to build on throughout the season.

5B

Great Marist spirit and courage was shown by the Ashgrove boys are being 6/14 after 10 overs and fighting to 76 runs. With a great effort in the field as well.

5C

The 5Cs batted first on the weekend making a total of 64 off their 20 overs due to some tight bowling by ATC. Wickets fell at key times during the chase and Marist ended up bowling ATC out for 57.

5 Gold

Bye

5 White

During the second round, 5 white were quite unlucky to have the opposition forfeit the game. A massive thanks has to go out to the parents and the boys for sticking around and participating in a little game between ourselves. We hope to put this practice into effect next week.

Around the Grounds

6A

After a strong week at training our focus was kicking the ball into effective spaces. This game plan worked well in patches seeing us match it with the Saint Pat's boys in the first half. Unfortunately, Pats' were crafty with their skills which saw them run over the top of us in the second. Plenty to work on as we move onto round 3.

6B

A resilient showing from the 6B's this week, rebounding from a tough first week to emerge victorious against St Patrick's. After a slow start, the boys-controlled scoring in the last 3 quarters off the back of outstanding clearance work to run away with the contest.

5A

The 5B's continued to improve on last week's result. Our run and carry sets us apart from our opponents. The boys did not drop their heads when St Pat's had the momentum in the second quarter. The team played well together and it was a great win. Our focus this week will be to work on our kicking and marking up on loose players, particularly in defence.

5B

Great all-round effort by the boys. The backs were able to make adjustments after early goals and looked strong after doing so. The boys were really happy and thoroughly enjoyed the win.
