JACKSON SCHOOL

Ms SULEYMAN: On a final note, I would like to say thank you to Anthony and all the teachers at Jackson special school. I was extremely pleased to attend and see firsthand the great work, the excitement, the programs and the support available to the kids. It was truly inspirational. I had the opportunity to see their Book Week parade and the fantastic artwork competition that was on display by the kids. Keep up the great work. I am very proud of Jackson special school, and in particular all the teachers and the students. They are absolutely inspirational for our community.
