Dear Mr Watson

On behalf of those we care for please accept our genuine and sincere thanks for your generous donation of \$10,000.00 to Mercy Palliative Care. We would also like to acknowledge the wonderful effort by your students, staff and school families for their contribution.

Your donation has been directed to the Urgent Need Appeal. The Urgent Need Appeal was set up in 2013 to provide financial assistance to patients and their families who are struggling with the increase cost of living associated with a terminal illness.

Mercy Palliative Care offers quality 24/7 free palliative care to our community. You are helping support a person's choice to receive end of life care and remain comfortable in their preferred home environment.

Please find your official receipt printed below.

Yours sincerely
