5. **Why I became teacher:** I became a teacher because I absolutely adore English and History! What better way could there be to share it with the world?
6. **Favourite teaching successes:** Leading a group of students in the National Student Constitutional Convention and helping them to meet a range of Federal Ministers!
7. **Why I love teaching at Boorowa Central School:** The connections to community! Having such close connections with community means that we can work together to provide the best possible pathways for our young people.
8. **Something you do not know about me:** I'm a national softball umpire! I'm Nationally Accredited at Level 3 and travel all over to officiate!
