

Dear Parents /Caregivers,

Welcome to the Year 7 Students 2026 Denison College Transition Program

The Transition Program is a well-established initiative designed to support your child as they move from primary school to high school. With many years of proven success, the program helps ensure a smooth and confident transition for students entering secondary school.

This year the program offers three days for your child to experience the variety of subjects offered at high school, as well as providing the students with the opportunity to work with Kelso High Campus teachers and to meet their Year Adviser for 2026. These days will be held in Terms Two and Three, with Term Four set aside for Orientation Day on Wednesday 3rd December 2025, where students attending Kelso High Campus in 2026 will have the opportunity to meet their year group and their classmates.

Photographs are taken during transition activities to be used in the school magazine, social medias or in newsletters. We ask that you sign the attached permission note for your child's photograph to be taken and published.

We will require up-to-date medical information about your child in case of an emergency whilst they are attending Kelso High Campus. Please fill in the medical form attached and return it with the permission note to your primary school prior to your child's transition visit. This information will be kept by Kelso High Campus until the end of 2025. If conditions change, please notify the school.

WHAT TO WEAR : Primary School sports uniform

WHAT TO BRING : Morning tea, lunch, bottle of water, pencil/pen, notepad

TIME : 9:30am - 2:30pm

We kindly ask that students arrive prior to the start time to ensure the Transition welcome can promptly commence at 9:30am

The Kelso High Campus Canteen will be available for students to purchase their food if required.

For any further information please contact Kelso High Campus on 6331 4544.

We welcome you to the Denison Transition Program and to Denison College - Kelso High Campus.

Yours sincerely,

Michael Sloan
