These Spring holidays discover

**28 SEPT – 2 OCT 2020**

**Five days of exciting space, fun STEM activities and action-packed challenges for ages 10-13!**

- Learn about space, spaceflight and the Mars 2020 Mission
- Design your own Mars exploratory mission and vehicles
- Opportunity to meet NASA experts online

## **Want to be a Mars Explorer?**

Discover the harsh Mars environment and some of the ways humans are exploring the red planet. Using NASA's Perseverance Rover and Ingenuity Helicopter as inspiration, design your own Mars exploration mission and the vehicles you'll need to fulfil your goals.
