Beaumaris Secondary College

Edrolo

Dear Parents,

Your child will use Edrolo as a core part of their learning in 2027. This letter explains how Edrolo supports your child's studies and how to pay for their online access through the Edrolo Payment Portal.

Payments can made from **Thursday 19th November 2026.**
Payment must be made by **Monday 1st February 2027.**

What is Edrolo?

Edrolo is a teaching and learning system that helps your child build understanding and gives their teachers a clearer picture of where they need support. It is used by 95% of schools across Victoria, including the top 20 performing high schools.

Teachers can use your child's responses to identify areas that need attention and guide what to work on next. Your child can revisit video lessons from expert teacher-presenters, practice applying their knowledge and check their answers against example solutions. Lessons align with the curriculum, and multiple-choice questions provide instant feedback.

Your child can access Edrolo anytime to prepare for class, build confidence before assessments, or revise a topic. They can also flag anything they'd like to revisit or need their teacher's help with.

Your child's teachers may ask them to use Edrolo for:

- holiday homework
- preparation before class
- practice after class to strengthen understanding
- independent study, assessment preparation and exam revision.

What does Edrolo cost? (incl. GST - per subject per year)

- Daily: $35 – Health & Human Development Units 3&4. History Revolutions Units 3&4.
- Daily Plus: $85 -Biology Units 1&2, 3&4. Business Management Units 1&2, 3&4.
  Optional $60 printed textbook (delivered to your home address) + $6.95 shipping

Printed textbooks will be delivered in late January 2027, in time for classes to begin.

Edrolo will charge a 6% service fee on all payments processed through the Payment Portal.

How do I pay via the Edrolo Payment Portal?

You can pay through the school's dedicated Edrolo Payment Portal from **Thursday 19th November 2026**.

Your child will use Edrolo in the subjects their school has subscribed to. Please pay early so they can start using Edrolo for their assigned learning.

Follow the step-by-step payment instructions.

Please pay before **Monday 1st February 2027** to ensure your child can continue using Edrolo for their homework and classwork.

If payment has not been received by this date, your child will be unable to access their Edrolo courses until the balance is paid in full. Access to all courses will be restored as soon as payment is made.

The Edrolo Payment Portal closes on the 17th of March, 2027.

Follow the instructions below to activate your child's Edrolo account and access the Payment Portal.

How do I activate my child's account?

If your child used Edrolo in 2026, their account is already active. Log in to their account and follow these steps to pay. If your child is new to Edrolo, start with step 1 below:

1. Visit https://app.edrolo.com/account/login/
2. Enter your **child's school email address**
3. Edrolo will recognise your account & send a confirmation email
4. Click the link and set your own password

In future, log in with this email address and password.

Edrolo doesn't recognise your email/you need to log in with an activation code? No problem - your school's code is **kma-nhv.**

If your child has an account but has forgotten their password, use Edrolo's password reset page.
If you need help, contact Edrolo at help@edrolo.com.au or call 1300 EDROLO (1300 337 656).
