

## **PROJECT COMPASSION**

Continued...

This year's money raised through your kind donations and the work of the Mercy Action Group's Fundraising Activities will enable Caritas to work around the world with their local partners to offer hope to people most vulnerable to extreme poverty and injustice. Lives change when we all give 100%.

Throughout Term 1 the College has raised over \$2,000.00. To raise this money, Mercy Action Group along with staff and students co-ordinated the following activities:

- Donated money in morning homerooms
- Made delicious Pancakes on Shrove Tuesday with the help of Ms Bell, Ms Hoyle and Ms Kennedy
- Celebrated our Mercy Heritage and Tradition through our 'St Patrick's Green Food Store' where we consumed foods like; green donuts, green yo yos and frogs in a pond,
- Celebrated Victorian Cultural Diversity Week with our Year 11 RE Art students creating "Proud to Belong" and "Everyone Belongs" Banners. Students grouped together on the oval and in the stadium with the Banners for a "HEART" photograph,
- Having our Music Department perform at our Annual Harmony Day Concert and Mr Knight and Mr Aston cooking our Harmony Day BBQ
- And last but not least by conducting our Annual Easter Egg Raffle.

The Mercy Action Groups would like to thank everyone for being involved in the above activities and donating so generously.
