Early Entry Program 2023

A different way to enter university that will not depend on your ATAR

The [2023 Early Entry Program](#) is a unique opportunity for current Year 12 students to receive a conditional offer based on a recommendation by the school, and not based on an ATAR.

Applications opened on 18 May 2022 and the final day for school recommendations is 31 October 2022. Successful students will receive a conditional offer and the offer will become unconditional should students complete Year 12 and must meet the course prerequisites – particularly English (study score of 25) or EAL (study score of 30).

Details of the application process, as well as participating courses can be found below.

1. Application process

Students must organise a recommendation from a school representative – the school’s principal, the year level coordinator, Head of House, or Career Practitioner – in order to proceed with an application.

2. Eligible courses

Courses that will be offered through this program can be found at [Eligible Courses](#), and students can only apply for one course.

Students will be required to complete 3 questions in a *Next Gen Now* questionnaire, and students will be asked to provide a 200-word statement per question.

3. Recommendation form

Once an application is submitted, students will receive a confirmation email which will include the form they need to forward onto their chosen school representative, who will complete the form and return it to Swinburne, who will match it with the student’s application.

Students must also make a VTAC application.

Bachelor of Business (Logistics Supply Chain Management)

The **Bachelor of Business (Logistics and Supply Chain Management)** degree covers topics to develop a students’ knowledge and interest in contemporary issues central to the logistics and supply chain management industry.

Areas covered in the course include *procurement and global sourcing, warehousing, freight and distribution, business operations, supply chain analytics and the management of human and physical resources.*

Students with a keen eye for detail, enjoy being organised, and are passionate about efficiency and constantly looking at ways to improve things will enjoy this course.

Students will have the opportunity to directly apply their academic skills to a work context in work-integrated learning courses like Digital Business Design and Innovation, Business Analysis and Impact Management, and Business Solutions for Global Enterprises electives.

VCE prerequisites are Units 3 and 4 - a study score of at least 25 in any English or at least 30 in English (EAL).

AGILE Program for High Achievers

AGILE (Academy of Global Impact and Leadership through Ethics) is an innovative opportunity for high achievers to elevate their performance.

Introduced this year, the AGILE program is exclusive to first year students who attain an ATAR of 90.00+. As members of AGILE, students will note that the commitment of global impact precedes the demand for leadership to fulfill what is wanted and needed in the world. AGILE attracts and selects those who are already leaders with the intention to elevate their leadership, power, productivity and therefore impact and will be developed in quick, flexible, and agile leadership.

AGILE members have access to a range of personal and career enhancing opportunities including –

- *exclusive networking opportunities*
- *masterclass seminars with ACU's nationally recognised teaching staff and global leaders*
- *access to talks from Australia's most inspiring leaders.*

Students who attain an ATAR above 90.00 and enrol in a course at ACU will be invited to join the [AGILE program](#).
