PAYMENT FAQ

How can I pay?

When you receive an extra curricular activity Permissions Notification via SENTRAL you will be asked to indicate how you would like to make payment:

1. | **CSEF** |
By Application - \$150

2. | **Central Pay** |
Credit or Debit Card

3. | **B'Pay** |
Pay for individual activity

4. | **School Account** |
Having used B'Pay to create credit on your account, we can use your account credit for the activity.

Can I pay a lump sum?

Yes, by using B'Pay options you can make smaller, regular payments or large lump sum contributions.

Your account will then have a credit.
When you choose Payment Option 4, funds will be deducted from your account.

FAQ | Parent Payments

What is Extra Curricular Payment vs Curricular Contribution ?

Curricular Contribution is essentially, voluntary. DSPS is only seeking contribution to **2 major whole school events**. Your contribution will have a real connection to the activity and will significantly enhance the event for your child/ren
Extra Curricular Contributions ("User Pays") are for activities and events outside the school curriculum. Payment must be received before students can attend these activities. Permission and payment request will be send home at least 2 weeks prior to the activity.

What happens if I don't pay for the Extra Curricular " User Pays " activity?

A student whose account has not been credited with funds will not be able to attend the activity. The school welcomes B'Pay payment plans that are set up prior to the event. CSEF is available to contribute to Camps and Excursions.

Has parent payments changed ?

Yes , in 2021 the Department of Education made significant changes their Parent Payment Policy. These changes created confusion for both schools and parents. This document has been create to help clarify planned extra curricular activities throughout the year.
