arrive & thrive

Term 1 & Term 2 Bookings Available!

AVERAGE WORKSHOP RATING 2025

★★★★★

Send an email to hello@arrivethrive.com.au

Arrive & Thrive is still taking bookings for dates in Terms 1 & 2. Workshops we

having more positive career conversations recommend in these terms are Goal Setting & Habits, Curious Careers and AI & The Future of Work. In 2026, schools have the opportunity to be in partnership with carers and educators to better support their young people in career decisions. Participants will receive a Career Conversation Kit as part of their registration.

Setting & Habits, Curious Careers and AI & The Future of Work. In 2026, schools have the opportunity to be in partnership with carers and educators to better support their young people in career decisions. Participants will receive a Career Conversation Kit as part of their registration.

PROJECTS ABROAD.

[Register here](#)

Projects Abroad is hosting a webinar on their overseas medical experiences for high school students. The webinar will be at 6.30pm AEDT on Tuesday 3rd March. Attendance is free.

The webinar will cover options for the coming summer, questions of safety and logistics and feature students recently returned from [placements in countries such as Nepal and Vietnam](#).

The placements have been running for 20 years and allow students in years 10-12 the chance to shadow doctors on ward rounds and observe procedures. Doctors also run workshops for the students, teaching concepts and skills.
