

# Online resources that may be utilised for Home Learning

With so many resources online we thought we'd provide a list of sites and videos we regularly access in the classroom. You may have heard your children mention them during Term 1! We have provided a link to each resource and a description of how we might use it to support engagement in our program. They will be referenced in our weekly communications with you and you are welcome to use them at other times that suit your family's circumstances.

Resources that are free but will require a subscription:

## Pevan and Sarah

For introduction and review of letter names and sounds and for interactive modeling of how to form uppercase and lowercase letters. They also have lots of resources for further use (eg. songs for packing up, good morning song, movement breaks, etc).

## How to create a subscription

1. Locate the URL: <https://pevanandsarah.com>
2. Click on - "Cub Club" located halfway across the top of the active page
3. Scroll down and click - "Join Now"
4. Click on - "Subscribe Now" under the heading "7 Day Free Trial"
5. Enter your details to receive access to the site for 7 days. Follow instructions of any activation email you might receive. It is \$7.99 a month after this time if you wish to continue (there is no obligation to).
6. Save your details for easy access to the site.
7. Enjoy exploring the videos... especially the 'Alphabet Jam' and 'Get Your Finger Out' videos which your child will be able to sing along to.

We will be using links from the Pevan & Sarah site to support our teaching and learning program. Please note: The style of writing we will use from the site is "Cursive".

## Mathletics

## Mathletics

Mathletics is an online learning space that has games, puzzles and quizzes that align with the Victorian Curriculum.

Your child already has an account for Mathletics as part of a school subscription.

Inside your child's reading journal cover will be this information including their username and password.

## Resources that are free and amazing:

### Storyline Online

### Storyline Online

Run by The SAG-AFTRA Foundation different iconic people of the screen read popular children's story books often with animated illustrations.

Particular favourites of the Preps are 'Arnie The Donut' and 'When a Dragon Moves in'.

<https://www.storylineonline.net>

### Alphablocks

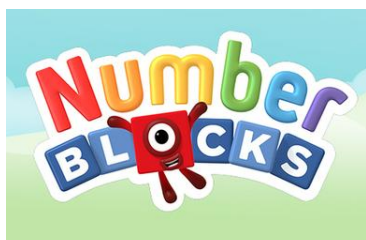

Fun phonics-based animated series that encourages early reading skills. Used in small blocks to engage students in learning and practicing their phonics.

[https://www.youtube.com/channel/UC\\_qs3c0ehDvZkbiEbQj6Drg](https://www.youtube.com/channel/UC_qs3c0ehDvZkbiEbQj6Drg)

### Alphablocks

### Numberblocks

### Numberblocks

Visual representations and explorations of number concepts in a fun animated format. Used in small blocks to engage students in learning and practicing their number skills and understanding.

<https://www.youtube.com/channel/UCPlwvN0w4qFSPiFIA LB92w>

### Jack Hartman Music Channel

For daily review of counting sequences and a movement break.

1 - 20 by ones:

### Jack Hartman Music

### Phonics Song

### Phonics Song

For daily review of letter sounds that assist reading and writing.

<https://www.youtube.com/watch?v=ffeZXPtTGc4>

Resources that are free and are great for keeping kids active/provide a break:

### Cosmic Kids Yoga

#### Cosmic Kids Yoga

Jaime provides a themed narrative throughout a yoga session while guiding kids in positions to stretch, balance and breathe.

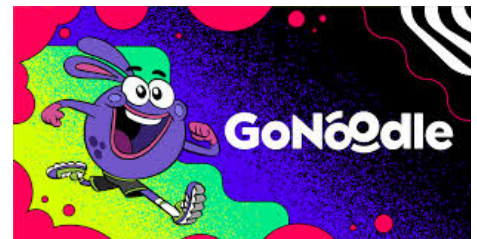

<https://www.youtube.com/user/CosmicKidsYoga>

#### Go Noodle

Fun, silly videos that motivate kids to move, shake and have fun.

<https://www.youtube.com/user/GoNoodleGames>

### GoNoodle

Thank you so much for your continued positivity and support!

Best wishes,  
The Prep Team
