

Body safety and protective behaviours workshops for parents and carers

Body Safety Australia partners with families and communities to prevent child sexual abuse and to support children in enjoying healthy, respectful relationships now and into the future.

This session covers a range of topics related to child abuse, including the key areas of body safety, abuse prevention, and practical body safety strategies to use at home with your child.

Cost: \$10

CITY OF PORT PHILLIP

Thursday 21 March 2019

Malvern Town Hall,
Banquet Hall

For information and bookings:
stonnington.vic.gov.au/parent-education

“It was a great session... It made me feel much more equipped to deal with body safety and it made me feel more confident that the community is working together to prevent child abuse.”

“One of the best sessions I have ever been to – fantastic!”

This workshop is a joint child safety initiative of the Cities of Port Phillip and Stonnington.
