WHAT'S BEEN HAPPENING

Dear families,

What a great week we've had with the kids! From outdoor activities to creative projects, everyone has had so much fun. Our 100 Hours Outdoors continues with challenges like long jump, high jump, sprint races, sidewalk chalk, and a scavenger hunt—it's been amazing to see the kids so engaged and active!

In addition to our outdoor fun, we'll be celebrating Mother's Day with special crafts. The kids are looking forward to creating heartfelt gifts and cards for their moms. We'll also announce the three clubs for this term, which the kids are excited to join. Whether it's art, science, or games, there's something for everyone!

On Thursday, we'll launch Lunch Time Legends, giving the kids a chance to relax and unwind during lunch. It'll be a calm, enjoyable break where they can read, play board games, or just chat with friends.

Thank you so much for your ongoing support. We're looking forward to another fantastic week ahead!

Warm regards,

Eric
