FOCUS ON OPEN DAYS

If you are considering studying at TAFE or university after school, it is **crucial** that you attend Open Days.

Throughout the year, vocational and tertiary institutions open their doors to the public and showcase their courses, accommodation, scholarships, pathway courses, student services and their 'point of difference'. At an Open Day, you will be able to:

Get a feel for the culture of the campus

Learn about courses and career options

Undertake campus and accommodation tours led by current students

Speak directly to students and lecturers about the courses or careers you are interested in

Compare the course area you are interested in at different institutions

Learn about student sports and societies you can join and be active in

Get course counselling and guidance

Attend information sessions and workshops

Watch live demonstrations

Listen to bands, eat lots of food, participate in activities and have fun!

Don't just pick a course at an institution without visiting the campus – you potentially will be spending several years studying there and spending tens of thousands of dollars on your course and accommodation. It's worth making the effort.

FOCUS ON OPEN DAYS

By now you should have identified institutions you would like to visit, found out their open day dates and downloaded their open day programs.

Once you have the programs, make a list of the information sessions you would like to attend.

If you have time, try and attend information sessions on topics like pathways, scholarships, accommodation and overseas exchange programs.

If you are unsure what to ask on the day, Victoria University has developed some questions you can ask:

Are there any prerequisite subjects I need to study for this course?

What study scores/ATAR do I need to achieve to get into this course?

Do I need to attend an audition, have an interview or present a folio as part of the selection process?

Are there any other ways into this course other than through a VTAC application?

Can I do a vocational course first which might then lead into a university course?

What is the difference between TAFE and university study?

If I can't get into this course, is there a similar course at this institution I can apply for?

What are the core subjects for this course and are there any electives?

How many hours per week are spent in class and can I study part time?

Can I defer the course?

What kind of jobs do graduates of this course generally get?

Are there any scholarships available?

Urban Futures Competition: With Melbourne's population moving beyond 4 million, significant challenges and opportunities exist for planning, designing and managing our cities. Win up to \$500 by coming up with the best idea to help tackle the challenges our cities face today and in the future.

Your task is to provide a photo or image to communicate an urban problem you have identified, and explain the problem and your ideas for a solution in 200–300 words. You must be in Years 10 – 12 and all entries must be in by Sunday 27 August. For information on the competition and how you can enter, go to <http://tinyurl.com/knbumu6>

The Heywire competition is open to people aged 16 – 22, to submit a story about life in regional Australia. Your story can be created in any form of media: text, video, photography, or audio. If you are selected as one of the winners, your story will be featured on ABC Local Radio, ABC Radio National, ABC TV and abc.net. Entries close 16 September, www.abc.net.au/heywire

Be heard on the ABC!

Win a trip to the Heywire Summit!

Make a difference!

EARLY ENTRY PROGRAMS

Early Admissions Program, University of Wollongong (UoW): Year 12 students are encouraged to apply for the Early Admissions program if they would like to study at UoW in 2018 or defer their studies until 2019. The program recognises community service and leadership and guarantees successful applicants entry into UoW courses without needing an ATAR. Applications open on the 1st of August and close on the 25th of August. For information and to apply, go to <http://bit.ly/1JSKYzZ>

Early Achievers Program at Australian Catholic University: This is an early entry program that takes into account factors other than just your ATAR for admission into courses. Factors include evidence of community service, leadership, and school participation etc. If you are accepted into the program, you will be guaranteed entry into the degree of your choice with a minimum ATAR set by the University, providing you meet prerequisites. The following are the minimum ATARs for the 2018 intake:

- 70: Law and all dual Law degrees
- 70: Physiotherapy (subject to change)
- 65: Occupational Therapy, Speech Pathology, and Paramedicine.
- 58.5: all other degrees.

Applications are now open and close Monday 31 July, <http://bit.ly/2kPLY2t>

Direct Early Entry program at University of New England: Applications are now open for this early entry program. Selection is based on the recommendation from the applicant's school, not their final ATAR. The program is free, fully online, and students can start their university application now. Students can apply for this program instead of applying via the Schools Recommendation Scheme. For a list of eligible courses and application information, go to <http://bit.ly/2aqFGGu>

Aspire Early Admissions Program, La Trobe University: Year 12 students are encouraged to apply for the Aspire Early Admissions program if they would like to study at La Trobe in 2018 or defer their studies until 2019.
