

CRANBOURNE EAST SECONDARY COLLEGE
UNIFORM

RESPECT – GROWTH – ACHIEVEMENT – RESPONSIBILITY

College Uniform

At Cranbourne East Secondary College, our uniform is more than just a dress code – it's a symbol of unity, pride and respect. This look book showcases the different uniforms that our college has to offer and the options available to our students. All designed to reflect our college values while ensuring comfort, quality and consistency.

A message from our Principal

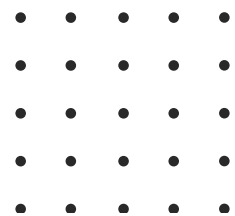

At Cranbourne East Secondary College, our school uniform is an important part of who we are. It promotes a strong sense of identity, equality, belonging, and pride in our school community, while also supporting our core values of respect, growth, achievement, and responsibility.

The uniform plays a vital role in student safety. It ensures that all students are easily identifiable, both on and off campus, helping us maintain a secure and inclusive environment for everyone. Uniform provides consistency and routine, reduces distractions, promotes positive behaviour, and sets the tone for a focussed and respectful learning space.

We thank our students and families for upholding our uniform expectations and contributing to the safe, high-standard, and connected culture we are proud of at Cranbourne East Secondary College.

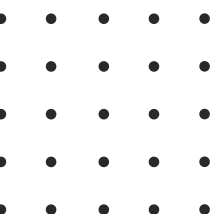

Christian Woodcock

College Principal

2025 Highlighted Uniform Policy Updates

In 2025, Cranbourne East Secondary College introduced a 'Uniform Wardrobe' which includes a range of branded and standard clothing approved for wear at school. The wardrobe is trans-seasonal and, as such, all items can be worn throughout the year. This uniform policy update aims to develop a student's sense of belonging to the school community along with promoting a sense of inclusivity and equal opportunity.

Students may wear the uniform that they feel most comfortable in, however they cannot wear a hybrid of the two and will need to choose one or the other. Students are also expected to comply with this Student Uniform Policy whilst travelling to and from school, during school hours and when attending school activities including, excursions and extracurricular activities.

When purchasing shoes consideration should be given to occupational health and safety requirements in practical classes. It is recommended that shoes have non-slip soles, provide adequate foot support and offer protection from potential accidents. Shoe options that are permitted with the school uniform include:

Track or running flat shoes preferably all black and leather

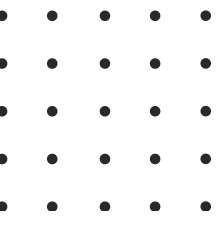

Lace up black hard leather school flat shoe

Lace up black canvas shoes (for example, Converse)

Lace up black skate-style shoes

Lace up black hi-top boots (for example, Doc Martens)

Physical Education Uniform

The Cranbourne East Secondary College Physical Education uniform is designed for movement, comfort and school pride. Whether students are in Health & PE classes, interschool sports or lunchtime training sessions, our athletic uniform supports an active lifestyle while maintaining a polished look that reflects our college values. Breathable fabrics and flexible fits ensure students stay comfortable and confident throughout every activity.

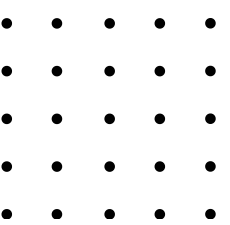

Respect

Academic Summer Uniform

The Cranbourne East Secondary College academic summer uniform offers a clean, professional appearance while ensuring students remain comfortable during the warmer months. With tailored shorts, short-sleeve shirts and lightweight dresses, the uniform is designed to support both form and function. Breathable materials and smart design allows students to stay focused, presentable and school-proud throughout the summer terms.

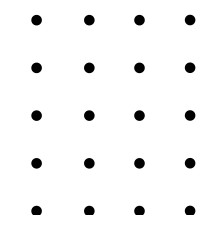

Growth

Academic Winter Uniform

The Cranbourne East Secondary College academic winter uniform combines warmth, comfort and a refined appearance for our students. With options including long sleeve shirts, trousers, winter skirts, soft knitwear and our signature college tie, students are equipped to stay focused and well-presented throughout the colder months. Designed for both function and style, the winter uniform reflects the high standards and school pride of our college community.

Achievement

2025 School Captains

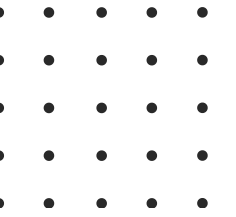

*“Wearing the uniform isn’t just about school rules—it’s about **pride, respect, and unity**. It shows that as students we care about our school, the community we’re part of, and the values we stand for. By wearing the uniform appropriately, we set a standard, lead by example, and show we belong to something bigger than ourselves.”*
